Our prices may vary due to changes in the registries' tariffs or the current euro exchange rate. NETIM reserves the right to change its prices in response to strong variations of these rates. A tariff specified as "Not Available" indicates that the corresponding operation is not available at NETIM or should be done directly with the Registry of the extension. Are not subject to VAT, non-EU residents and EU companies (outside of France) with an intracommunity VAT number. Otherwise, the current VAT rate is 19.6%.
